.....
This is the story of Annie Mae Aquash's journey, from a Mi'kmaq reserve in Nova Scotia to her brutal death 30 years later in South Dakota. Annie Mae had become a Native militant and a central figure in the American Indian Movement, but the FBI considered AIM a threat and infiltrated the movement. Paranoia spread and Aquash was shot dead in 1975 in Wounded Knee. We meet her two daughters and many activists she inspired, such as Buffy Ste. Marie. All are still trying to understand why and how this spirited woman met such a violent end.

.....
This is part of our Bannock & a Movie series.
Admission is free.
Please come early. If you have a large group, please notify us as
seating is limited.
