Invisible - Fetal Alcohol Spectrum Disorder (FASD) and the Justice System is a heartfelt examination of life with FASD and the further challenges this disorder presents within the justice system. In this video, a handful of legal professionals and psychological experts expose the myths and realities of FASD and explain how best to work with clients who suffer from it in terms of conflict with the law. As well, three individuals with FASD share their personal experiences with the disorder .

This is part of our Bannock and & Movie series
