Please confirm your attendance by contacting me

Tecumseh's Vision tells the story of the Shawnee leader Tecumseh and his brother, Tenikwatawa, known as the Prophet. In the years following the American Revolution, the Prophet led a spiritual revival movement that drew thousands of followers from tribes across the Midwest. His brother forged a pan-Indian political and military alliance from that movement, coming closer than anyone since to creating an independent Indian state.

This is part of our Bannock and & Movie series
