*Unrepentant* documents Canada's *dirty secret* - the planned genocide of aboriginal people in church-run Indian Residential Schools - and a clergyman's efforts to document and make public these crimes. First-hand testimonies from residential school survivors are interwoven with Kevin Annett's own story of how he faced firing, *de-frocking*, and the loss of his family, reputation and livelihood as a result of his efforts to help survivors and bring out the truth of the residential schools. This saga continues, as Annett continues a David and Goliath struggle to hold the government and churches of Canada accountable for crimes against humanity, and the continued theft of aboriginal land.
